

# Stradivarious PA Requirements

[www.stradivarious.co.uk](http://www.stradivarious.co.uk)  
[rod@rodstradling.com](mailto:rod@rodstradling.com)

## Snare Drum

Sennheiser e604 dynamic (no phantom required).  
Alternatively, house supplied suitable dynamic mic on a boom stand.

## Accordion

1. Proprietary internal mic to quarter inch mono jack. Level slightly above regular mic. DI or direct to a mic input would be fine.
2. Line level signal from midi bass unit on quarter inch mono jack. DI or direct to a line input would be fine.

## Violin

DPA 4099V attached to violin. **Phantom required.**

## 3-off 13A Mains Sockets

1. Accordion power supply.
2. Midi unit supply (wall wart).
3. Music stand light.

## Monitor

Mainly violin with some accordion. No drum in monitor.

**Mic and stand for caller/MC.**

## Front of House
